We've shot very consistently in this for the last three years, being runners-up twice and now third. Last year Caithness raised the bar considerably, and repeated their win this year in raising their record score by three points to 2365.

Auckland were second this time with 2364, only a point behind.

The top English county (Cornwall) was 6th. after Wellington (4th) and Aberdeen (5th)

## Women's County Comp 2008

Predictably, a pretty low placing, 3rd last in fact.

Cambridgeshire won for the third year running, with 977.
