A pretty close Group. 1st and 2nd are on the same points, with Jones having a better agg. Levack's R5 walkover means DeJonckheere hasn't qualified directly for the first time in years (if ever). He's looking good for a high reserve place though.

Dummer is another who won all his matches. Sinclair lost to him in the first round and had a better agg, and it's these two qualify, miles ahead of the rest of the pack.

The top-of-the-table clash between Baker and Michael in R5 produced a narrow win for Michael. Davies beat Temperley (who couldn't maintain the pace he started with) but it didn't matter as Davies loses out to Baker on aggregate for the second qualifying spot. His admin problems obviously cost him but he's 3rd reserve so could well get into the Final.

See attached for the final League Tables giving full details. A paper copy is on the way to all Club Reps, along with the details of the Final for all those who qualified plus the first few reserves. A **Group Winner's Certificate** is also on its way to all those who won their Group.

I'd like to thank everyone who took part in this first stage of the 2004-5 World Cup. I hope you enjoyed participating, whether you were successful in qualifying for the Shoulder-to-Shoulder Final in February or not, and I hope to see you all again next season. This is the largest entry ever, and it would be good to repeat it.
